#### Discussion and possible action re:

### Requests for room tax grant funding from Osceola Wheels & Wings Organization for funding of (1) offset portion of Air Show costs; and (2) assistance with continuing to expand their media reach

Weaver reviewed grant requests in the past, first one being for website, second to assist with housing for Air Show performers which went well. This year adding the services of Social Cardinal (Connor Grant, Osceola alum and has a marketing degree from UW-River Falls) to help with social media and overhaul their website. Committee asked what expenses are related to Air Show and most of the costs are related to that. Weaver went through the costs associated with performers stay while here for show.

Committee discussed and determined expenses to consider for application were Hotels, Rental cars and Marketing should be considered for total budget which is a total of \$8,100. Suggested to plan ahead to have pilots to stay in town, organization would like to do that but hasn't been able to find any place with availability. Committee when through the checklist on qualify for grant funds and scored 21 points, which qualified for approval.

Motion by and seconded by to approve the requested room tax grant funding from Osceola Wheels & Wings Organization for \$4,000 as presented Ayes-3 Nays-0 Motion carried
