

## VILLAGE OF OSCEOLA DRIVEWAY PERMIT APPLICATION

The undersigned hereby make application, pursuant to Chapter 186, Article II, with the Public Works Director, or designee, of the Village of Osceola, Wisconsin for a permit to:

**Construct / Reconstruct / Alter / Enlarge (circle one)** the driveway at the address described below.

There is to be made a part of this application a scale drawing of the property an outline of the proposed driveway showing the length, width of the driveway at the property line, the width of the driveway at the street, expansion joint locations, and the thickness of the paving.

Applicant attests that they have a familiarity of and will comply with the application provisions (Section 186-11) and the Location, Design, and Construction Standards (Sections 186-12 to 16). During construction all applicants must provide traffic control, consisting of barricades, signage, and lights as necessary to protect vehicle and pedestrian traffic in accordance with the Manual on Uniform Traffic Control Devices.

Applicant will notify Public Works Department for an inspection of the site 1) prior to construction, 2) when forms are placed and grade established prior to any paving work, and 3) upon completion of the paving and restoration of the project. The Public Works Department may establish a grade for the construction of sidewalks and/or driveways. (All sidewalks/driveways must meet ADA Requirements.) Applicant shall be responsible for all costs related to replacement of driveway and sidewalk sections installed that do not meet the Location, Design, and Construction standards if installed before inspection by the Public Works Department.
